

REMARKS

Applicants incorporate herein by reference the remarks made in the Request for Continued Examination filed May 31, 2006 ("RCE"). In this Supplemental Amendment, Applicants have further amended independent claims 1, 33, 65, and 97 to recite that the third parameter comprises caloric expenditure data. In addition to the amendment and Applicants' arguments made in the RCE filed May 31, 2006, the recitation of the third parameter comprising caloric expenditure data is believed to render the claims in condition for allowance.

Accordingly, the rejections of claims 1, 33, 65, and 97 and their dependent claims are overcome. Thus, Applicants respectfully submit that claims 1-8, 15-17, 33-44, 65-76, 97-108, and 137-140 are in condition for allowance.

Respectfully submitted,
